**Purpose:** The purpose of Lucha Latina is to foster growth and empower Latinas within the University of Florida and Gainesville community in their pursuits to achieve their higher educational goals. In addition to that, Lucha Latina provides a safe space where one can develop dialogues and share the best practices to support each other in a very tangible way to fulfill one's professional, leadership and personal goals. In order to do so, our three pillars; Leadership, Mentorship and Community Outreach will help our active members get involved within the community and getting out of their comfort zone to foster this growth. Our ultimate goal, is to be able to award a scholarship to a graduating senior in the Gainesville community that can enhance their college experience in the years to come.

**Activities:** Leadership: Through Lucha Latina, our members are prepared for interviews, how to dress professionally, and are shown ways of actively becoming involved on campus around the Gainesville community. Through Mentorship: our members create bonds with each other and excel in order to create a safe space to share ideas, opinions and advice one another. Community Outreach: This pillar helps our members become involved with the community in order to foster a relationship outside of UF. This is especially important to create genuine relationships with graduating high school students in need of financial literacy when it comes to applying for scholarships such as the one we aim to provide.

*Proviso: This allocation will exhaust at the end of the fiscal year on June 30, 2019*
