<b>Referendum</b>			

Starting spring 2013 the University of Florida plans to require publications distributed on its campus to use mainly university-owned distribution racks and sign an annual licensing agreement. The administration's stated justification for this decision relates to reasons of safety, security, sustainability and aesthetics. Students

involved in one affected publication believe that the decision could threaten its editorial independence and reduce its readership. Do you believe that the university should proceed with this decision?

Yes	2752 votes - 39.66%	
✓ No	4187 votes - 60.34%	

## Referendum

Should the student union be renamed after Virgil Hawkins?

Yes	1764 votes - 24.39%	
✓ No	5469 votes - 75.61%
