CONSTITUTIONAL AMENDMENT

Should the Student Body Constitution be amended to: change the time for appointment of Summer Replacement Senators from May 1 to the last meeting of spring term; remove verbiage that purports to allow the Student Senate to contract on behalf of the student body; permit the Student Senate to amend election laws within four weeks, rather than five weeks, of an election; comply with Florida Board of Governors Resolution 08-23 by preserving the role of the Honor Code Chancellor, now referred to "Honor Code Executive Director," and allowing this executive director to be appointed by the Student Body President; amend Article III to read "Funding Fee Increase Restrictions", instead of "Budget Restrictions"; ensure that terms of executive department heads expire concurrently with the terms of the elected executive officials; remove any reference to the "Student Honor Court" and "Student Honor Court Bar Association;" direct the submission of proposals by initiative to the Chief Justice of the Student Body; amend the proposal initiative process to provide that a petition carrying the signatures of 5% of the student body shall be placed on the ballot; authorize the Elections Commission to determine if initiative ballot titles and summaries are accurate and lawful and amend ballot titles and summary if they determine that they are not accurate, subject to appeal to the Student Body Supreme Court; require 2/3 of the trial body of the Student Senate for conviction of impeachment, instead of 3/4; make grammatical and other minor corrections and replacements.

REFERENDUM QUESTIONS

A Reitz Union fee has been proposed to repair and expand the facility. This fee would better student services, and increase space for students and organizations. Both USF and FSU have implemented fees: \$20 per semester plus \$1.50 per credit hour at USF, and a fee of \$20 per semester plus \$2 per credit hour at FSU. At UF the current proposed fee is \$20 per semester plus \$3 per credit hour.

This will allow for students at the state's flagship university to have access to the same level of quality in student resources as those offered at Florida's other state universities and its peer universities around the country. A recent University survey shows the Reitz Union is in need of more than \$40 million in deferred maintenance and repairs. The Reitz Union was built more than 40 years ago for the 19,000 students then enrolled. UF now has nearly 50,000 students and more than 900 student organizations, all in need of space, resources and support.

Shall a new student fee be created to fund repairs of the J. Wayne Reitz Union?

YES 4,103 NO 5,255

Shall a Reitz Union Fee, if implemented, be used to pay for additional expansions to the J. Wayne Reitz Union? If a fee is implemented, voting YES indicates the wish to fund an expansion of the Union. Voting NO indicates the wish to only fund necessary repairs.

YES 4,182 NO 5,160

Should the University of Florida join the Workers Rights Consortium to help ensure that licensed merchandise with the University of Florida and Gator logos is not made in sweatshops?

YES 7,246 NO 1,874

Referendum

Should the Student Body Article V, Section 3 be amended so that "The Supreme Court consists of the Chief Justice and [six] justices", [as opposed to the current number of four justices]?

Changing this Amendment (as described in the brackets above) would mean that 5 members, as opposed to the current number of 4, would constitute a quorum. Additionally, the concurrence of judgment, which is necessary for any decision, would then consist of 4 members, as opposed to the current amount of 3.

Referendum

Currently clubs and bars are required by law to close at 2:00 a.m. in Gainesville. Known as a "hard close" all of the patrons, no matter what state they are in, must leave immediately at 2:00 a.m. A proposed change to a 3:00 a.m. "soft close" would mean the bars and clubs would be allowed to stop serving alcohol at 2:00 a.m. and close at 3:00 a.m.

Do you support a change to allow a soft closing at 3:00 AM for all clubs and bars in Gainesville?

Background: Campus safety is an important part of any university. The current "hard close" of all bars and clubs at 2:00 AM leads to many students and residents in Gainesville to wander around campus and on University Avenue, which can result in dangerous situations. A proposed soft closing at 3:00 AM would let bar and club patrons take their time to make sure they are in a state to leave and head home.

After 5 years I keep
showing up to this
computer to vote. I hope
on a personal level things
are different on a state
level. I know they are not
though. With changes in

the geography of the district and the ebbs and flows of power change with them. It reminds me that my optimism might be misguided to assume many elected to this board will change how they operate when the geography of their district will lock them into a very similar system.

I just want to give some advice. Cared about or not. 1st. Take more of an effort to follow up on the Student Position seats on Gainesville Advisory Boards. You can atleast pretend that you care to represent 50000 gainesville citizens at their functions. 2. On a personal note, there is a

bicycle statute dedicated to 1996 bicycle victims. It deserves a plaque or something. 3. Keep doing referendums and listen to them.

Cheers to the winners.	WRITE-IN	1 - 0.05%

Amendment 1

Should the anti-discrimination policy of Student Government be updated to include genetic information, in compliance with the University of Floridas anti-discrimination policy, and read as follows: Student Government nor any organization that receives funds shall not discriminate with respect to race, creed, color, religion, age, disability, sex, sexual orientation, gender identity and expression, marital status, national origin, political opinions or affiliations, genetic information, and veteran status as protected under the Vietnam Era Veterans' Readjustment Assistance Act, or any other classification as provided by law?

✓ Yes 4516 votes - 87.49%

No 646 votes - 12.51%

Referendum 2

Currently, on campus, during home football game days, only people in

attendance at functions that have been approved by administration may carry open containers containing alcohol. In any other circumstance, alumni, students and Gator fans are issued a civil citation by law enforcement in which they will have to pay a fee if cited for carrying an open container containing alcohol. A proposed change would allow those of the legal drinking age to carry an open container containing alcohol during home football game days.

Do you support the University of Florida implementing an open container policy allowing those of the legal drinking age to carry an open container containing alcohol on campus during home football game days?

Background: Other similar universities have incorporated an open container policy for home football game days including, University of Georgia, University of Missouri, Florida State University and University of Central Florida. The responsible consumption of alcohol has been integrated into the tailgating experience for many Gator fans.

Amendment 1

The student voting policy of Student Government should be updated to permit students to vote by requiring the creation of a remote voting platform. The amendment will read:

Section 9: The Executive Branch should guarantee verified real-time online remote access to voting on election day in Student Government elections to all members of the electorate beginning in Fall 2016 elections, where 'Online Remote Access' to voting is defined as the ability to cast a ballot from any location with a device connected to the internet and equipped with an Internet browser. 'Verified' refers to the ability of the Student Government to ensure no ballots are fraudulent. 'Real-time' is defined as the condition that votes must be registered by the voting system as they are cast without the involvement of a proxy.
