

STUDENT SENATE BILL 2021-1034

TITLE: Committee Authorization and Transfer Act - 500 Code Revision

AUTHOR(S): Judiciary Chairman Noah Fineberg

SPONSOR(S): Student Body President Cooper Brown

CHAPTER 502 UNIVERSITY AND PRESIDENTIAL COMMITTEES

- 502.1 University and Presidential Committees are important institutions of University governance and idea formulation and interaction. As such, student participation on these committees is in most cases of importance to the Student Body and to the entire University.
- 502.2 It is recognized that the University President is the ultimate resident authority of the University and of its institutions, governance and administration, with the aid of Faculty Senate and Student Government each representing their respective constituencies in University affairs.
- 502.3 Membership on all committees governing the University shall be determined by the University President unless otherwise specified in the University Constitution, the Student Body Constitution, or charters under which some committees may operate.
- 502.4 The Student Body President shall reserve the right to make all nominees for student membership on University and Presidential Committees to the University President. Such nominees shall not be made in conflict with the University Constitution, the Student Body Constitution, committee charter, or Student Body Law.
- 502.41 Appointments to University and Presidential committees shall be made by the Student Body President in consultation with the University President.
- 502.42 The Student Body President's appointments shall be confirmed by the Student Senate with a majority vote of the members present and voting, pursuant to the power prescribed in Article III, Section 6(h) of the Student Body Constitution.
- 502.5 Unless otherwise specified in this law or a committee charter, a single term for student membership on all University and Presidential Committees shall be for one (1) year.
- 502.6 The University President may remove any student member of a University or Presidential Committee.
- 502.7 The Student Body President may nominate, through the same process as nominating student University and Presidential committee members, one student alternate to each Committee contingent upon approval of the University President.
- 502.71 Student alternate nominations shall also be subject to the voting procedure prescribed in Section 502.42, S.B.S..
- 502.8 The University President together with Student Government may issue charters to individual committees under which said committees shall operate.
