808.0 All student organizations that act in accordance to code 810.3 will be eligible for a base funding up to five hundred dollars (\$500) per fiscal semester. This amount will be allocated by the Budget and Appropriations committee before the regular hearing cycle begins.

1. The base funding of five hundred dollars (\$500) will be in a separate line item in the organizations account.
2. Funds in other line items cannot be transferred into the base funding line.
3. These funds can be used for technology, general body meetings, advertising, or events.
4. To apply for the base funding, an organizational treasurer must submit a request through a process outlined and advertised by the active Budget and Appropriations Chair. This application process will not be on a first come first serve basis.
5. These requests will not require a Bill of Law, however the Budget and Appropriations committee shall make the Student Senate aware of any approved requests within seventy-two (72) hours.
6. The expenditure rate policy outlined in 801.7 does not apply to the base funding line item.

808.01 In the event the total amount of base funding requested exceeds the amount available during the Budget cycle, each student organization will receive a prorated base funding amount. The prorated base funding amount will be equal for all student organizations.

808.02 In the event that funds are exhausted before all operational, travel, and event requests are heard, and there are multiple requests submitted at the same second, the remaining funds will be prorated between those requests. The amount given to each request will equal the remaining funds multiplied by the total of the request's approved amount divided by the total of all the simultaneous requests' approved amounts. The formula will be as follows:
Prorated funds for an organization= Remaining funds*(request's approved amount/total of all requests' approved amounts)
