808.11

Student Government Funded Organizations that fail to spend at least 75% of their allocated budget, excluding Base Funding, in a given funding cycle will be deemed ineligible for event, travel, and operational funding in the following consecutive funding cycle.

1. Student organizations may request that travel funding for a specific approved travel request not be considered in the calculation of eligibility if unforeseen circumstances arise.
 - a. Official documentation must be provided demonstrating that the organization was unable to travel due to reasons beyond their control, or that the trip was canceled, resulting in not incurring the planned costs. This documentation must be submitted to the Budget and Appropriations Committee via email to budget@sg.ufl.edu within thirty calendar days of the approved travel end date.
 - b. The approval of submitted documentation is determined by a majority vote of the Budget and Appropriations Committee.

Proviso: The provisions of Section 808.11 shall take effect beginning with the Spring 2025 funding cycle. No organization shall be deemed ineligible for funding for any funding cycle occurring prior to the Spring 2025 cycle based on their fund usage during the Fall 2024 or any previous funding cycle.
