TITLE: – Clarifying SG Training ACT I - 800 CODE REVISIONS

AUTHOR(S): Senator Tyler Tyson

SPONSOR(S): Budget and Appropriations Chairman Phoenix Cumpstone

810.2 Organizations will receive funding on a first come first serve basis as determined by the timestamp of submission to SG Finance. If multiple requests are submitted at the same time, and funding is not available to fully fund the requests, the requests will be pro-rated based on available funding. The Budget and Appropriations Committee will only amend an organization's budget request for compliance with the 800 codes. The following guidelines will be used as evaluative criteria to provide available funding for operational budgets for organizations:

1. Organizations must be officially registered with the Department of Student Engagement.
 2. Organizations must re-register each year with the Department of Student Engagement to complete eligibility requirements.
 3. All signature authorities, which are the President and Treasurer of student organizations, receiving Student Government funds must complete the SG Finance Officer Training course at least once during an academic year as outlined in Chapter 811 prior to each budget cycle. Violations of this rule will result in organizational funds being frozen until the organization comes into compliance.
- ~~All signature authorities, which are the President and Treasurer of student organizations, receiving Student Government funds must complete the annual Finance Training Class. Violations of this rule will result in organizational funds being frozen until the organization comes into compliance.~~
