STUDENT SENATE BILL 2026-1104

TITLE: Resolution to Establish Student Advisory Board Meetings Between Student Senate and the Hamilton School

AUTHOR(S): Senator Maya Sakellarios

SPONSOR(S):

WHEREAS, the Hamilton School is the newest College at the University of Florida, and this college teaches classic and civic education with an emphasis on smaller classrooms, and meaningful relationships with faculty and professors; and,
WHEREAS, ensuring that there is communication between administrators and students will help the success of the school; and,

WHEREAS, establishing a point of contact between the Student Senate and the Hamilton School would allow the Student Senate to advocate on behalf of the school more efficiently and for initiatives to get done more cohesively; and,

WHEREAS, the Student Advisory Board would be a time for students and faculty to come together, to collaborate on issues that students specifically in the Hamilton school are facing, and allows for future ideas to be brainstormed and implemented, as well as problems to be voiced and expressed; and,

WHEREAS, creating an environment where many students with different ideas can speak with the administrators of the school to express concerns that students have and share future ideas will improve student representation; then,

THEREFORE, LET IT BE RESOLVED that the University of Florida Student Senate thanks the Hamilton School for welcoming them to the first Student Advisory Board Meeting.

THEREFORE, LET IT FURTHER BE RESOLVED that the University of Florida Senate supports the continued collaboration between Student Senators in the Hamilton School and the designated point of contact of the Hamilton School for Classical and Civic Education.

THEREFORE, LET IT FINALLY BE RESOLVED that these meetings may include discussion of student concerns and other future initiatives from the Hamilton School.

Proviso: A copy of this resolution shall be sent to Dr. Jason Mastrogiovanni, Hamilton School Sr. Associate-In Faculty and Director of Academic Operations and Student Success.
